This response is being made on behalf of Action. A diligent search for documents has been conducted and interviews conducted with those individuals who may have knowledge of Action's activities during the relevant time period. Those documents that are responsive and pertain to a specific answer will be attached as exhibits to this Request for Information. Action submits the following response to each information request:

1. Identify the full legal name, address and phone number of the business.

01988

Based upon employee interviews, Action has never hauled garbage from businesses or industries to the Pig's Eye Dump. Action disposed of residential waste emanating from apartment buildings and private residences in the St. Paul area to the Pig's Eye Dump shortly after Action began its business operation in March 1971 and up until the time of the closure of the Pig's Eye Dump sometime in 1972.

6. Did you haul hazardous waste to Pig's Eye Dump/Fish Hatcheries Dump? Include a list of (a) the name and address of all companies and/or individuals the business transported hazardous waste for (b) the type of hazardous waste if known; (c) how the waste was transported; (d) quantity disposed per load; (e) the time period of transportation and disposal of the hazardous waste.

Based upon employee interviews, Action has never hauled hazardous waste to the Pig's Eye Dump.

7. How was the garbage and/or hazardous waste picked up from businesses and industries stored (for example, in drums, barrels, dumpsters) for pick up?

The residential waste was placed into dumpsters or trash barrels by the residents. Action picked up the residential waste utilizing a rear-end loader vehicle for transportation to a landfill.

11. Identify any other persons who may be able to provide a more detailed or complete response to the Questionnaire, including their current addresses and telephone numbers and relationship to the business.

The previous owners, as identified in Action's response to Question 3, may be able to provide additional information.

12. Identify the insurance carrier held by you or the business during the time period you or the business hauled garbage and/or hazardous waste to Pig's Eye Dump/Fish Hatcheries Dump. Provide the name and address of each insurer and of the insured, amount of coverage under each policy, commencement and expiration data, existence of a "pollution exclusion" clause, and coverage of sudden or nonsudden types of accidents. (In lieu of providing this information, you may submit complete copies of all relevant insurance policies.)

See attached as Exhibit "2" a list of insurance carriers that may have issued insurance policies and which may provide coverage to Respondent.

In regard to your request for a "Notarized Affidavit," Action is unable to provide such an affidavit certifying to the truth and accuracy of the information provided to the extent required in your letter. The information provided herein is as extensive and accurate as possible; but the passage of time, the departure of employees with knowledge, and the lack of specific documentation make it impossible for any individual to have the knowledge required to make such Affidavit. Furthermore, nothing in CERCLA requires the submission of such an Affidavit. Action will voluntarily submit to MPCA any additional information which comes to its attention that supplements or modifies any of its responses to this Request for Information.

Please direct all future correspondence and questions concerning this information response and the Pig's Eye Dump/Fish Hatcheries Dump to the undersigned at Browning-Ferris Services, Inc., P.O. Box 3151, Houston, Texas, 77253, 713/870-7010.

To facilitate the agency's investigation, the MPCA staff is sending you the enclosed Requirement To Provide Information. As the recipient of this Requirement To Provide Information, you have the legal duty under state law to provide information requested by the MPCA which is relevant to the release or threatened release of hazardous substances or pollutants or contaminants. Information obtained in response to the Requirement To Provide Information will be used by MPCA staff in carrying out their responsibilities, including the identification of responsible persons for the release or threatened release. This is a first Questionnaire; in the future it may be necessary to supplement the information available to MPCA with additional Questionnaires.

Since obtaining this information is an important initial step in the process, your response to the enclosed Questionnaire needs to be submitted within thirty (30) days from the date of the Requirement To Provide Information. The information in your response is vital and will allow us to protect the public health and the environment. Therefore, failure to provide timely, complete and accurate answers to the Questionnaire may result in legal actions by the state of Minnesota to compel disclosure.

Attachment 1 contains instructions for completing the Questionnaire. A list of definitions of words used in the Questionnaire may be found in Attachment 2. Please review both attachments prior to answering the Questionnaire.
